Spin-Off Announcements

My wrist is having problems again,
and moreover, there are book publication matters to attend to,
so the spin-off will have to wait until next week.

Thank you.

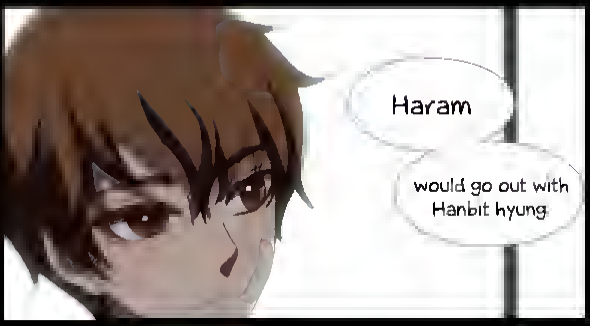
Puberty

I thought...



Me too.

You too?!
nods

I like Gaon hyung,
but this was really unexpected.

Two people who had never seen each other.
They already knew each other. And they had become friends

Isn't it interesting?

Ah!

There's another hyung that Gaon hyung talks about sometimes.

I wonder where he is and what he's doing right now.

What did he say?

Just that there's a hyung who was in a situation similar to his

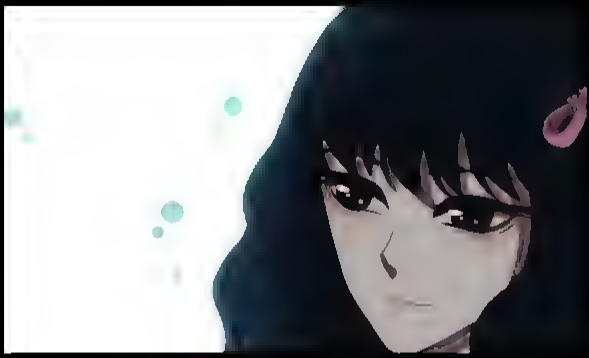
He was just wondering where he is and how he's doing

Hmm...

So, did Hanbit hyung mention if there's a girl he likes?

Well.
Hanbit doesn't tell me that kind of stuff... Nor does he show his feelings.

Is there anyone you like?



Well...

If the feeling was mutual
that would be great~ Super great~

Many readers requested the story of these
two youngsters, who weren't featured in the spin-off,
so I made a special chapter just for them

I'll come back next week with the spin-off
Thank you (^-^)(_)
